About the Supporters' Club

Founded in 1978, the Surrey County Cricket Club Supporters' Club (SCCSC) aims to encourage loyal support for Surrey County Cricket Club and to promote the interests of its members. It exists to:

- Provide a club for fans to meet each other; enhancing the social side of a visit to the Kia Oval and being a Surrey member
- Organise social events that focus on Surrey, including the off-season
- Provide a way for fans to keep in touch with Surrey news and interact on social media (through the Oval World newsletter, regular emails to members, the message forum and on Twitter)
- Organise an away match travel group (for example, as at Colwyn Bay in 2014)
- Raise funds for youth cricket in Surrey, and
- Be independent of Surrey CCC, but aim to work closely with them

Who are we?

We are a group of committed and enthusiastic Surrey fans who want to see success on the field, and provide a social side to visits to the Oval, Guildford, and away matches.

We are supportive of the Club, but are not afraid to point out (hopefully constructively) how things might be improved.

Many of our activities rely on the co-operation of Surrey CCC and we continue to work on developing a closer relationship with them.

We have now raised over £55,000 for the coaching courses Surrey's Cricket Development Department runs each winter for 6 to 16-year olds in South London and Surrey.

Membership benefits

- 4 editions of Oval World, the club magazine
- Access to the message board and County Championship Fantasy Cricket League
- Monthly Surrey cricket newsletters
- Marquee at Guildford - available free of charge to Surrey CCCSC members

The club's newsletter (Oval World) and website (www.ovalworld-online.com), are greatly enjoyed by our members and we have an active message forum called 'Come on the Rey!'.

We run a competitive fantasy cricket league each season (www.ovalworld-online.com/fant.htm). The winner gets a cheque equivalent to the value of a Surrey CCC County Adult Membership.

We hold a Christmas party each year in a reserved area at the Hanover Arms pub near Oval tube. We are looking to expand the number of off-season social events.
